Program: Dog Grooming Instruction

Start Date: _____
(Specify Date You Want To Start)

Program Description:

A Breakdown of the Total Number of Hours of Instruction Offered Per Program of an 80 Hour Course:

This Program can be completed in 2 weeks. We have incorporated our bathing and brushing into the grooming course. We have not separated our programs. We feel brushing and bathing is part of the grooming. This way you are able to spend more time with hands on and learning the grooming. Students can complete the 80 hour course by scheduling their class on week days or days in which they are able to attend. This may be just a Saturday class or a few days a week, that would be convenient to their job schedule. This would take longer than a two week period if you work a full time job. We do have some students that can only attend one day a week because of their work schedule.

Total Number of Hours: 80

64 Total hours of Hands on Grooming

16 Total hours of Theory

Tuesday Class 10:00am-6:30pm, Theory

Class time includes ½ hour lunch daily, this is not counted as clock hours. You will have 8 clock hours per day, and on some days it may be longer.

Each student may voluntarily help clean. Clean up time is also not included as clock hours.
